

5K RUN/WALK

SEPTEMBER 21, 2019

Minnie Ha Ha Park • 801 Old Gravois Road • St. Louis, MO 63127

8:00 am Registration Opens • 9:00 am RUN/WALK Begins

Presented in collaboration with the St. Louis County Police Department – Affton/Southwest Precinct, Missouri Department of Corrections, St. Louis CRUSH, Step Up of St. Louis and the St. Louis County Police Department Bureau of Drug Enforcement!

This will be a truly unique opportunity for our community to come together to Step Up & CRUSH a 5K and support efforts to prevent substance misuse.

TRIBUTE MILE: The first mile of the 5K serves as our Tribute Mile and will include special opportunities for participants to remember those we have lost to substance misuse and celebrate the many who battle substance use disorders and win (every day)! This mile will also honor those who work tirelessly on the ground in our neighborhoods fighting these drug epidemics. Thanks to our generous sponsors, you will see other Tributes along the entire race - we hope this experience is as meaningful for every participant as it is for our team of volunteers.

Is a 5K a bit much for you? There will be a clearly marked path that will take you back to the start (putting your total distance at 1 Mile). Participants can re-walk/run the Tribute Mile at their leisure.

We even have an option for those who would rather sleep in and CRUSH a 0 Mile Nap or 5K on their own!
